The City of Lincoln provides Parking Validation programs for the benefit of visitors and employees to the Downtown area. Many Downtown restaurants and retail merchants participate in some Parking Validation program.

Programs are tailored to meet the needs of different types of parkers. Take time to explore each of the programs to decide which one is best for you.

To see which validation programs are used by each garage, visit either the [facility information page](http://www.lincoln.ne.gov/city/pworks/business/park/facility/index.htm) (<http://www.lincoln.ne.gov/city/pworks/business/park/facility/index.htm>) or the [interactive map](http://www.lincoln.ne.gov/city/pworks/business/park/maps/downtown/index.htm) (<http://www.lincoln.ne.gov/city/pworks/business/park/maps/downtown/index.htm>) of downtown Lincoln, Nebraska. Be sure to ask if the businesses you visit will validate parking.

If you are a retail business in Downtown Lincoln interested in using a validation program, please contact the City of Lincoln Parking Office. Their phone number in Lincoln is (402) 441-6472.
